Subject:	Meetings Schedules

Hi all,

Hagar is trying to schedule the coming board meeting. As there are multiple conflicts in availability of the board members, we will have to schedule the meeting towards the year-end and not end of November as we originally planned.
In addition, as discussed during the last meeting, Hagar is also scheduling meetings to March and June 2016, in order to avoid meetings being postponed.
Thanks,

Moshe Sheffer, CPA
CFO
